FROM: Frank J. Filas, Reclamation Engineer 

RE: Site Inspection, Poor Boy Claims, DOE/019/024, Grand
County, Utah

On September 21, 1987, Terry McParland of the Bureau of Land Management and I inspected the Poor Boy Claims adjacent to Dewey Bridge. The site remains the same as in previous visits. The five claims are posted in the name of Ray Branscom, who is Mr. Davidson's equipment operator.
